Subject: North Northamptonshire Parish Council, and Kier Tree planting project

Kier Transportation

Pocket Woodlands

Dear Richard Allinson,

At Kier we are committed to operating sustainably and helping to improve the environment in which we work. In line with this approach, we have pledged to increase tree coverage across Northamptonshire, through a number of different schemes.

We would like to work with the local Parishes to identify areas where small 'pocket woodlands' of up to 10 trees can be planted. The trees would be donated by Kier for the parishes to plant and maintain.

How to get involved

If your Parish is interested in this project and would like to be part of it, then please let us know using the contact details below:

Parish Name –

Main Contact Details –

Potential site location for tree planting (include a plan if possible) –

Number of trees the site could accommodate (up to 10) –

Please send your submissions to the below Kier persons:

nadine.larner@kier.co.uk – kris.saric@kier.co.uk – shane.goss@kier.co.uk – sebastian.roberts@kier.co.uk

All submissions for potential sites would be entered into a draw and a selection of these sites would be chosen annually.

The best time to plant trees is between October and March. The principal of 'the right tree, in the right place' will be applied, therefore consultation regarding the tree species and variety may be required.

Thank you very much for your time, and I hope to hear from soon.

Kind regards,

Shane Goss
