Land rover defender thefts.

It is apparent from talking to neighbouring counties that LandRover Defender theft is on the up. By the nature of the vehicles iconic design and capabilities, the demand both in the UK and Worldwide makes these vehicles a target by organised criminals.

Please look at installing additional security to yours, don't leave the keys in the vehicle or in outbuildings or workshops near to where the vehicle is parked. If you can, secure away at night or when not.in use and trackers and marking schemes like Datatag 4x4 system can help locate and identify the vehicle.
